Aircraft

Our Cruise Connection flights are generally operated by the stunning **Learjet 75** or **Cessna Citation II**. These light jets seat up to 8 passengers in comfort, however, as we know you will need plenty of room for that glamorous evening gown, we restrict our maximum passengers to six. Our aircraft have leather, club style seating as well as an onboard restroom. The Bombardier Learjet 75 provides the luxury and comfort of a larger aircraft in a light jet, delivering the ultimate travel experience.

Where possible, our flights operate to and from Private Terminals, offering you an exclusive and efficient experience on the ground.
